

## Khon Kaen, Roi Et, & Maha Sarakham Project

10249 VFW Member Butch Martin just completed another donation to two orphanages and one shelter for neglected and abused children. He travelled @ 256 KM and between the three locations we provided @ 13,000 Baht (\$405) worth of rice, laundry products, toiletries, diapers and of course a few well deserved snacks for the kids.

It was also noted that the shelter for abused children is also in need of clothing for children aged infant to 12 years. So if you have any unwanted cloths you would like to be rid of get them to the post and we will ensure they are delivered to the shelter.

*Sorry they would not allow us to take photographs of the children and/or the facilities.*

Thanks for your donations.
