23 August 2018, Post members travelled @ 80km to the Ban Nong Ian School to deliver a water cooler, fan, some sports equipment and other school supply's.

Students show off their schoolwork.
(Typical schoolroom setting) Notice
the quality of the desk they are using

John Oles testing there English
language skills and giving them a
little prize for a job well done

Also provide the kids with an apple
and cookies to go along with their
lunch. (Rice and Chicken Stew)
