

STANLEY RAY COX

10/10/51 – 9/6/21

Last Picture take of Stan at the B.D. Nursing Home, Udonthani, Thailand. Stan was transported to the Temple (Wat Mai Nong Hin) in the coffin box to the left. Because of the heat he was place in a refrigeration unit until his cremation.

Wednesday night @ 6:30 and again Thursday morning, we had a prayer service for Stan. With four (4) monks in attendance.

Coffin was draped and VFW Post 10249 said our final farewell, in grateful appreciation for Stan's military service.
