

Childhood is about innocence and
playfulness.

It is about joy and freedom.

Happy Children's Day..

Ban Nong Hua Moo School

On 13 January 2017, Post members traveled to the Ban Nong Hua Moo School for Children's Day. 42 Gift bags were handed out one for each student containing school supplies a tube of toothpaste and a toothbrush. We also served up some Thai Noodle Soup (kwyteiyw) with homemade Ice Cream for desert.

Many times our school projects take us 50 – 80 km from town. After our visit today it is apparent that we sometimes find a worthy cause right in our own back yards.

It was a good day the children entertained us with a couple of traditional Thai dances and then a few of the children participated in some games that we have never seen before.

The School was very appreciative of our donation to the Children and if anyone would like to be a volunteer your FREE time as an English teacher you would be more than welcome.
