

Greetings Comrades,

With the start of each new VFW Term it is time once again to remind you that your annual dues can now be paid.

This year I would like you to consider going life. If you are currently 61-70 years old the cost to become a life member is \$290.00. Annual membership fees are currently \$45.00/year. If you have been an annual member for more than six (6) years you would have already paid for your life membership. (See the chart below for your particular age group)

You also have an option to pay for your life membership in monthly installments. An initial payment of \$45.00 will be used to pay your annual dues. Then you make 11 monthly installments of \$26.36/month and you become a life member. No more hassle from the Commander or notices to pay your annual dues.

The price of life membership varies with your age:

<u>Age as of 31 Dec</u>	<u>One Time Payment</u>	<u>Initial Payment</u>	<u>11 Payments of</u>

To become a Life Member via the installment plan you need to apply via the VFW National website www.vfw.org If you live near the post or can make a monthly payment directly to the post quartermaster we will offer the same installment program.

Please Note: Should you stop making monthly installments, your money will not be refunded. Any money received will be put towards your annual membership.

If you have any questions and/or require assistance please let me know.

Thank you,
YIC
